

THE BLUE CRAB FUN BUNCH
GOOD SAM CAMPING CLUB
MEETING MINUTES
APRIL 2020

President: The CoVid-19 virus continues to bring about changes to our daily lives. For the near future we can certainly expect this current way of living to go on.

Our April campout was cancelled out of an abundance of caution and looking at the daily escalation of confirmed cases and deaths, it was probably a good decision. As such, our April meeting couldn't be held.

At the present time our May campout will likely be cancelled as well. It is scheduled to be a trip to Cozy Acres Campground in Powhatan, VA, the weekend of May 15-17. This afternoon Governor Northam of Virginia issued an order extending the closure of all recreation and entertainment businesses until May 8. I anticipate that will be further extended as the pandemic models are predicting the peak to occur in Virginia in early June and, as such, Governor Northam's Stay At Home Order remains in effect until June 10. This might have an effect on our June campout as well which is planned for Natural Bridge KOA in Lexington, VA.

Locally, Governor Hogan has issued a Stay At Home Order for Maryland residents with no specified end date. We'll all have to play that one by ear.

We will keep you informed of any changes to our camping schedule.

Please take the Stay At Home Orders seriously and practice social distancing if you do go out. Stay well.

Wagon Master Report: I haven't heard any campgrounds closing after April yet. Waiting till the 1st of May before cancelling Cozy Acres. They did say we get all of our deposits back if we do cancel. Hope everyone is doing fine.

Have a nice day – Greg.
