

THE BLUE CRAB FUN BUNCH
GOOD SAM CAMPING CLUB
MEETING MINUTES
AUGUST 2021

President: Meeting opened at 6:10 at the campground Pavilion.

We will be voting on a new slate of officers at the November meeting with nominations from the floor at the October meeting. The nominating committee is working on a slate of nominees, so if you get a call, please think seriously about accepting the nomination and don't just immediately say, "No." The officers in elected positions have been in their positions for quite a while and would like to be replaced.

Also, the Maryland Good Sam State Director is holding a "mini-rally" October 29-31. It will be at the Walkersville Carnival Grounds, [79 West Frederick Street, Walkersville, MD](https://www.marylandgoodsam.org/locations/walkersville). Cost is \$55 per rig with a \$10 cancellation fee.

The registration form, if anyone wants to go, is attached with these minutes.

Treasures Report: Balance 4035.17.

Wagon Master: Still need a host for Gettysburg. We have two more campouts before the end of this year's camping – West Virginia (Wapacoma) and Pennsylvania (Gettysburg).

Old Business: Having difficulty finding a place to have our Christmas Party. If anyone knows of a place with a reasonable price let the Pres know.

New Business: Nomination for next years officers are coming up soon. Please consider volunteering for a position. The position of Wagonmaster is open now. If you are interested let the Pres know. We need to get this position filled soon.

Members present: (21): Bob & Hatti, Greg, Les, Bob S., Dennis & Sandi, Paula & Larry, David & Ginny, Mona & Bernie, Bill & Bobbie, Tom & Cynthia, Corky & Terry, John & Sharon.

Guests present: None.

Good of the Order: The form for the Rally registration and the updated Crab Roster is enclosed with these minutes.

Meeting adjourned at 6:25pm.

Your Secretary

Corky

Friday Night Dinner at Brothers Italian Restaurant

**President Bob presents outgoing Wagonmaster
Greg with an gift for his years of service**

RV Problems

Greg had some RV problems on this trip. An inside tire on the right rear of his camper blew. He had to get a replacement which involved a lot of work just trying to find the right size tire. And then find someone to put it on.
