

THE BLUE CRAB FUN BUNCH  
GOOD SAM CAMPING CLUB  
MEETING MINUTES  
AUGUST 2022

**President:** Meeting was convened by the president at 6:20pm at the Host's site. Minutes of the July meeting were approved. During this campout we lost our previous Wagon Master. Greg passed away at his home. Good Sam will be eliminating the State Directors Program in the coming months. There are no changes that affect individual Chapters or Good Sam member benefits. A Campground can still provide a 10% discount for Good Sam members – Good Sam still exists, just no more State Directors in the near future. We can still use their Logo. A person can still join the Good Sam Club.

**Vice President:** Nominations are going well. John and Tom have done an excellent job collecting nominations. As of now we have – one person running for president, three persons running for vice president, two people running for treasurer, two people running for secretary and one person running for Wagon Master.

**Treasurers Report for July 2022:** Balance: \$ 3621.91. Keep in mind the only income we have is the annual dues (\$10 a person) and 50/50's. We have to be careful what we spend money on.

**Wagon Master:** Our next campout is White Oak. Tom and Cynthia are our hosts. Our final campout is Misty Mountain and as of yet we have no host for it. Nominations for next year's campgrounds have been sent out via email. I need your choices by the September campout. You can bring the form with you to White Oak or email your choices to me. Either way I need them by the next campout to prepare the voting list. We vote at the November campout.

**New business:** Brenda has volunteered find a location for the upcoming Christmas Party in December. She is looking into find a restaurant where we can use a side room (every one buys their own meal) and we can exchange Christmas gifts.

For Christmas help for the needy the club has decided to collect, from our members, gifts for our vets at Charlotte Hall Veterans Home. The chairman is Corky and he will be sending out info on the rules for the gifts.

Instead of flowers for our previous Wagon Master's funeral the club decided to give \$50 to Hospice in St. Mary's County and \$50 to the Hollywood Rescue Squad.

**Old Business:** None.

**Good of the order:** Jim and Deanna were presented with their club flag.

We have a carry bag that has Greg's picture on it. There was no need to retain the bag so the club decided to give it to Greg's daughter.

**Members attending:** (11) Bob and Hatti, Brenda, Tom and Cynthia, Corky and Terry, Jim and Deanna, Paula and Larry.

**Guests:** (2) Julianna – granddaughter of Brenda. Jennifer - daughter of Tom and Cynthia.

**Adjourned:** Meeting adjourned at: 7:15pm
