(3) For the Ed Allen campout, be sure you have your landing gear and stabilizer jacks all the way up. We have to drive over some elevated railroad tracks to get to the campground.

For our Pot Luck Dinner we will be having Fried Chicken (it was so good the first time we have to try it again). I thought if you would fix your famous side dish it could be a great meal. Please let me know what your are making or something else you would like to make. Suggestions are: Potato Salad, Pasta Salad, Baked Beans, Cole Slaw, Cucumber Tomato Salad Three Bean Salad, Fruit saled, Macaroni Salad. Let me know please so we do not get many duplicates.
