

THE BLUE CRAB FUN BUNCH
GOOD SAM CAMPING CLUB
MEETING MINUTES
AUGUST 2023

President: The meeting was called to order after dinner at the White Oak Campground in Quarryville, PA. The President thanked the hosts, Tom and Cynthia. Introduction of guests and new members were made. Minutes from the June meeting as corrected were approved.

Treasurers Report for March 2023: The Treasurer reported income of \$29 from the June raffle. The current account balance was \$2859.44 with a check for \$50 still outstanding. The current balance of funds earmarked for charitable donations from raffle income is \$73.

Wagon Master Report: The Wagon Master reported that he is accepting nominations for campgrounds for 2024. Each rig nominates two campgrounds they feel would be good places to camp. The campgrounds should be no more than 200 miles measured from the center of Waldorf, MD. Please get your nominations to Corky by the August campout. He will compile the list and we will vote on destinations in September.

New business: It was announced that Barry and Katherine will be camping at Camp Hatteras RV Campground and Resort from December 28 to January 2. They have invited anyone interested to join them for the long weekend. They have been going for a few years now and report that the weather is usually in the 70s during the day, and 50s at night, there are very few tourists in the area that weekend, the sunsets over the sound are spectacular, and the price for full hookups for Good Sam members is \$56/night. The campground has two heated indoor pools and hot tubs to relax in. If you are interested in getting out of the area for New Year's and want to camp with Barry and Katherine over the holiday, contact Katherine for full details. For more information about Camp Hatteras, follow the link: <https://www.camphatteras.com/> .

A separate email from Barry and Katherine will be sent out to the members.
