President: The President called the meeting to order at 6:30pm. The members present thanked John and Sharon for hosting this weekend. Our hosts donated their host reimbursement to the Charity Fund. The May Minutes were approved as sent out via email.

Treasurer's Report for June 2025: The Treasurer reported that account balance is currently \$2659.93. There was no income or expenses last month.

Wagon Master: The Wagon Master was not available to give a report. It was noted that it is getting close to the time to nominate campgrounds for the 2026 camping season. Look for a request from the Wagon Master.

Announcements/News: Larry and Paula visited the club at the restaurant on Friday night. They both seem to be doing well.

Old Business: None

New Business: The 2025 nominating committee was established. Per the SOP, the Vice President is the chair of this committee. Deanna and Sharon volunteered to serve as committee members and will work with Katherine on creating a slate of nominations from the committee to be presented at the October meeting.

There was discussion about camping at some different campgrounds rather than visiting the same places year after year. It was mentioned that there are several campgrounds within our camping distance circle which we have never visited. If you have a campground that you would really like the group to choose, please talk it up with your fellow members. Let them know what is great about it and why it is a place they would like. In the meantime, start thinking about new places we could go, do some research on them, read reviews, etc. Better still, if you have the time, take a drive out to the campground to check it out. Most campground owners are happy to let you have a look around.

Good of the Order: Our next meeting will be August 16, at the American Heritage RV Park, 146 Maxton Ln, Williamsburg, VA 2318 the campout August 14 – 17.
