

THE BLUE CRAB FUN BUNCH  
GOOD SAM CAMPING CLUB  
MEETING MINUTES  
JUNE 2023

**President:** The meeting was convened by the president at 6:15pm at the clubhouse of the Fredericksburg KOA. The president thanked John and Sharon for hosting the campout and the great food. A motion was made to approve the May minutes. The motion was seconded and approved.

**Treasurers Report for March 2023:**

Starting Balance: \$2776.44. A deposit of \$44 from May was made. The deposit was \$14 from the 50/50 raffle and \$30 from the raffle. Ending Balance: \$2820.44.

\*\*\*The treasurer asked where the club wants to put the deposits from the 50/50 raffles. A motion was made that the Club's portion of the 50/50 money collected at future meetings/campouts be earmarked for charitable giving at the end of each year. The motion was made, seconded, and approved. One was opposed. \*\*\*

\*\*\* CORRECTION: There was a question of where to put the income from the raffle items such as the charcuterie board that Corky has been donating was raised. It was agreed that the money from those raffles should also go to the charitable donations line item. It was previously decided that the money from the 50/50 would be put in the charitable donations line.
