

THE BLUE CRAB FUN BUNCH  
GOOD SAM CAMPING CLUB  
MEETING MINUTES  
JUNE 2020

**President:** Meeting convened at 6:00 pm at Natural Bridge Campground outside pavilion. This is first campout for this year due to the Coronavirus. 19 members and 6 guests were present. Just a reminder - dues are due.

This years Samboree has been cancelled. The campout for July, Pinch Pond, has also been cancelled due lack of participation. Our hosts, Pat and Jim, did a wonderful job hosting this campout. We had hot dogs and hamburgers on the grill (Jim's grill) and covered dishes. Afterwards Bingo was played, all had a great time. Stay safe out there see you in August.

**Wagon Master Report:** Only 2 rigs had signed up for Pinch Pond so as stated above by the president we had to cancel that campout. This year has started out slow, due to the virus that's going around, but hopefully it will pick up. Final arrangements have been made at Castaways. All should have their assigned sites now. I was having a problem getting ahold of someone but finally got someone in "corporate" to help me.

**Treasurers Report:** Report for June is the same as May. Current balance is \$3337.25.

**Members present:** Bob and Hatti, Greg, Les, Corky and Terry, Jim and Pat, Bernie and Mona, Les, Karl and Bonnie, Dave and Ginny, Ricky and Val, Peter and Mina.

**Guests present:** Patrick and Jordan (guest of Greg), Karen (guest of Karl and Bonnie), Stella and Tony (guest of Peter and Mina).

**Good of the order:** A big *THANK YOU* to Jim and Pat (with Sugar looking for droppings) for fixing us all a great breakfast on Sunday morning.

**Adjournment:** Meeting adjourned at 6:48.

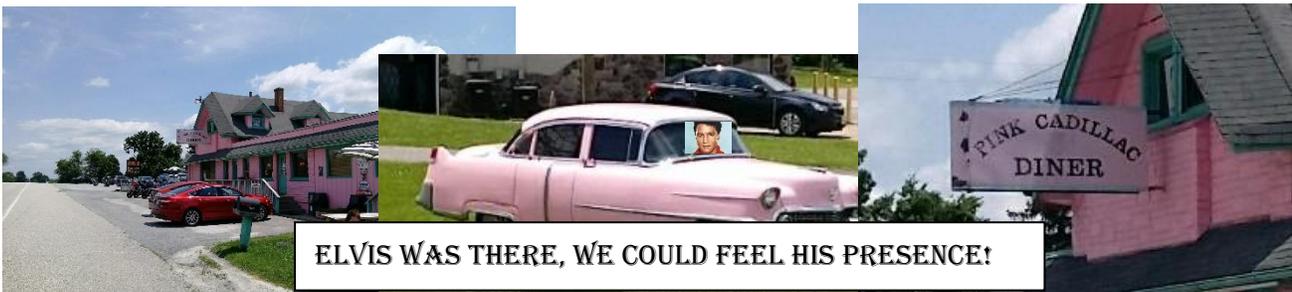

Bob Curan

*"I thought we would be gone for a week. However, judging by all the supplies you bought, you obviously plan on being gone a little longer."*
