

THE BLUE CRAB FUN BUNCH
GOOD SAM CAMPING CLUB
MEETING MINUTES
SEPTEMBER 2023

Unofficial meeting of 16 September 2023

Meeting opened by the Wagon Master at the host's camping site. Since there was only one officer present we could not hold a regular meeting. Our By-Laws require the presence of at least two officers before a regular meeting could be held. Discussions and passing info could be held but no voting could take place.

Thank you to Jim and Deanna for hosting the meeting at their site.

A Treasurer's report was given (the treasurer sent the report to me via email).

The 50/50 took in \$23 for our treasury.

Voting for next years campgrounds is now closed. I will now start assigning campgrounds to the various months and making reservations. The six campgrounds that were chosen for the 2024 season are: American Heritage, Cozy Acres, Castaways RV Resort, Gettysburg Campground, Luray on the Shenandoah River and White Oak Campground.

The amount of votes for all the campgrounds are as follows: **1**- Tall Pines Camping Resort, **2** – none, **3** – Western Village RV Park, Candy Hill Campground, Yogi Bear Jellystone Park, **4** – Fredericksburg KOA, Wapocoma Campground, **5** – Cozy Acres, Gettysburg Campground, White Oak Campground, **6** - Castaways Campground, **7** - None, **8** - American Heritage, Luray RV Resort on the Shenandoah.

With the upcoming non-camping months (November thru April (December is our Christmas Party)) we still need hosts to make arrangements for a luncheon and a meeting at a restaurant. The meeting is held on the third Saturday just like our regular camping campouts. The Waldorf, LaPlata and St. Mary's areas have a variety of places to choose from. Try to reserve a place where they have a "back" room or a large area where we could have a discussion. Please notify me via text or email what month you can be the host.

See you at Ed Allen's.
